Our new guidelines

Welcome back, everyone!

We hope you enjoy being back at our lovely local pub. We're certainly ready to get the beer flowing once again.

To ensure that we are protecting everyone, including our staff, we've put some new guidelines in place. They are there to allow everyone to enjoy themselves while keeping each other safe.

1. Sanitiser stations have been positioned all around the premises; please use them.
2. The one-way system has been put in place to prevent people from congregating, so please follow accordingly.
3. We know you haven't seen lots of people in a while, and you will want to catch up with as many as possible; however, we are requesting that you keep to your own tables and remain seated and refrain from leaving your table to see others.
4. At times we expect things may become very busy, please bear this us and our staff at this time. At certain times, we may reduce the number of drinks consumed per person and limit the amount of time at a table. We will give you as much notice of this happening as possible. This is so we can ensure our staff can maintain distancing and have the ability to clean areas without rushing.
5. If we deem it necessary, due to overconsumption of alcohol or unacceptable behaviour, we may close up earlier to ensure the government guidelines are being adhered to. We will, of course, try our best to avoid this. This is for your safety and the safety of our team.
6. We are required to follow particular cleaning procedures set out by Greene King and the Government. Please bear with members of our staff while this is being carried out.

We ask that during this time, everyone follows the necessary guidelines. It is our aim to continue to serve the locals in this area, and we can only do this with your help and cooperation. We ask that you respect the wishes of other patrons of the pub.

We understand this will take some getting used to, and if you have any questions, please do not hesitate to ask a member of staff, and we shall do our best to answer them.

Once again, welcome back and cheers!

The Roebuck Team
